I have been working in the golf business since 1976. I've been a PGA member for 25 years and have been teaching for 27 years. My philosophy has always been to work with the individual golfer building on the way they do things and making them better with what they have to work with. I use simple language people can relate to. I truly enjoy teaching and feel I can make the game more enjoyable for any golfer. I am currently the Head Golf Professional @ Trapp River G.C. and Head Golf Coach @ Wausau East High school.

### Club Regrip & Repair Program:

Regrips starting @ \$3.50 a grip installed. Reshafts starting @ \$10.00 a shaft installed. Other repairs available upon request. We will pick-up and deliver the clubs for you.
